SkyQuest International Places CASA 212-100 Aircraft

Winston Salem, North Carolina, Thursday, February 1, 2007 ***For Immediate Release***

SkyQuest International, LLC, on behalf of Paraclete Aviation (United States), arranged the sale of one (1) CASA 212-100 Aircraft (serial number 89) to Broken Aero, Inc. (United States).

The CASA 212-100 is a versatile and efficient non-pressurized turboprop aircraft with a variety of capabilities. The CASA 212-100 excels as a cargo aircraft for small package, palletized, containerized, or oversized freight. With over 450 aircraft manufactured to date, the CASA 212 is a proven performer. The right combination of cabin volume, payload, speed, and range together with a rear ramp door and excellent short-field performance make the CASA 212 the preferred choice in its class

###

About SkyQuest International, LLC:

SkyQuest International is a commercial aircraft remarketing and acquisition firm specializing in commercial regional aircraft. Founded in 1999, SkyQuest International has become a leading remarketer of commercial aircraft serving operators, lenders, leasing companies and asset management firms on a global scale. SkyQuest also provides valuation services for the aircraft types that it specializes in. From January 2006 to present, SkyQuest International has placed 37 aircraft on behalf of its clients with a total value of \$41.4 million US Dollars.
